CCVIP BUSINESS AND TRAVEL head office is situated in the coastal seaport city in Canada's west coast Vancouver, a popular tourist destination. Through providing service in the tourism industry to Chinese tourists,

CCVIP a professional tourism company offers clients a chance to explore Canadian culture, connect with local business and government while touring the beautiful city.

As a BC government certified professional tourism company (license number: 65427), a member of the British Columbia Consumer Protection Association, CCVIP is also a certified Canadian ADS Tour Company. Our own fleet of vehicles from 7 seated business vans, to 56 seat luxury buses all have business license approved by the government and are insured with a 1million dollars third party liability insurance. With a well-trained and dedicated team of tour guides who have a strong understanding of Canadian culture, year after year, we have provided our excellent service to many tour groups, and have received many accolades from our clients.

For many years, CCVIP has been actively participating and communicating with local government, non-government, non profit organizations, as well as educational organizations, fostering a strong relationship. With a strong connection with these organizations, we are able to tailor to clients needs through providing services and help organize tour groups to understand and communicate with these industries while offering guided tours.

With the deepening relationship with regards to travel, economics as well as culture between China and Canada, CCVIP has always adhered to our company mission of forging win-win cooperation, while maintaining customer excellence and satisfaction.
